Listen To The Sound!

6-7 yrs

Listen,
Listen,
Listen to the sound
Is it high, is it low
Is it soft or is it loud
Listen, Listen to the sound

I can hear the birds singing high
I can hear the stream bubbling low
I can hear the wind softly blowing
I can hear the birds, and the stream and the wind

OH NO!!!!
The traffic's coming closer
The traffic's getting louder
The traffic's coming closer
The traffic's getting louder
First a car,
then a lorry,
then a roaring motor-bike.
Oh NO!!!
I can't hear the birds or the stream or the wind!

Phew!!! They've gone
Now I can
Listen,
Listen,
Listen to the sound
