Sarah's song

Amy Johnson

Resource Pack

Created and written by Frances Lynch in collaboration
with Electrical Engineer, Sarah Cooper

SONG WORDS ONLY

Amy Johnson

6-7 yrs

Chorus

Amy Johnson Amy Johnson, where did she go?
She soared above the mountains, swooped down to the sea
Speeding through the clouds to get to where she wants to be

Verse 1

Austria for Coffee and cake, Turkey for a bath
Then Syria for Cheese, hit a sandstorm just before Iraq
Tried Spicy food in Pakistan, watched ships dock in Iran
Went to India for tea, broke a record, and yelled YIPPEE!

Chorus

Amy Johnson Amy Johnson, where did she go?
She soared above the mountains, swooped down to the sea
Speeding through the clouds to get to where she wants to be

Verse 2

She landed in Myanmar on a football pitch
And oh dearie me, she slid into a ditch
The locals helped to pull her out and send her on her way
Off she went to Thailand to fly another day!

Chorus

Amy Johnson Amy Johnson, where did she go?
She soared above the mountains, swooped down to the sea
Speeding through the clouds to get to where she wants to be

Verse 3

Singapore for cocktails at Raffles Bar and then
Stopped in Indonesia, more repairs again!
Went to Timor Island
Missed the airfield in the night
Landed in a field and gave everyone a fright!
They thought that she went missing, wherever could she be?
When they found her she was ready
To take off across the sea

Chorus

Amy Johnson Amy Johnson, where did she go?
She soared above the mountains, swooped down to the sea
Speeding through the clouds to get to where she wants to be
